ABOUT US

SERIES® Seating is a worldwide leader in innovative design, manufacturing and installation of ergonomic public seating systems. For over 40 years SERIES® Seating has raised the bar in fixed and loose seating and tables by offering state-of-the-art products with cutting edge technology at competitive prices. We are committed to exceeding customer expectations and improving quality of life. This is accomplished by providing the best products possible in today's market, manufactured with the protection of the environment in mind. These values and principles are reflected throughout the SERIES® organization and can be seen in our products, our people and every business relationship.
